MEMORANDUM

SUBJECT: EPA Region 10 Responses to National Remedy Review Board
Recommendations for the Idaho National Laboratory Subsurface Disposal
Area

FROM: 
Daniel D. Opalski, Director
Office of Environmental Cleanup
U.S. EPA Region 10

TO: David E. Cooper, Chair
National Remedy Review Board

Attached please find EPA Region 10 responses to the Remedy Review Board recommendations for the cleanup of buried waste at the Idaho National Laboratory.

The Region appreciates the thoughtful comments of the Board, and we believe we have a better Proposed Plan because of the comments. If you have any questions, please contact Dennis Faulk.
